Dear sir,

Re. Article Titled " Parents demand removal of Royal Head Coach "
in Daily Financial Times .

We write with reference to the article in the Daily Financial Times of 1st of October 2024 titled " Parents demand removal of Royal Head Coach ". As the parents of the 2024 Rugby Squad of Royal College, we would like to place on record that we have not written or in any way contributed to the above article. Furthermore, as far as we know, the allegations in the article are false. We firmly believe that this article has been written to discredit Royal College and Coach Dushanth Lewke . It is unfortunate that someone with a malicious motive has written this article anonymously and has incorrectly attributed it to the 2024 Rugby Squad so as to mislead the readers. We reiterate that the contents of the article are false and misleading. We fully support and have complete trust in the coaching staff of Royal College and head Coach Lewke .

Thank you.

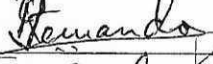

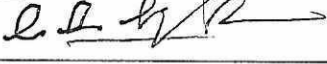

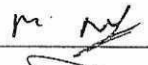

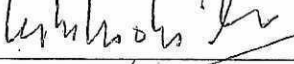

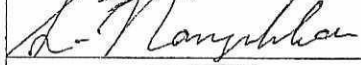

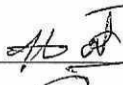

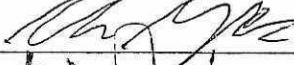

Parents of 2024 Rugby Squad.
